Exposure: PHP, Linux, Sass, Materialize, SemanticUI, Redux, GraphQL, AWS, Apache, Handlebars

EXPERIENCE

Full Stack Development | Student

May 2021 - November 2021

Finished UPENN 6 month coding bootcamp gaining a reputation in the cohort for my front end design work and mobile responsive applications.

- **[Search FORE Golf]** (HTML, CSS, JS, API) - interactive UI that returns golf course and weather data via separate API calls.
- **[NFL Bets]** (HTML, CSS, JS, MySQL2, Sequelize, Express.JS, Bcrypt, Bootstrap, Axios, Express Handlebars) - interactive betting website where clients can login to create a profile, place W/L Bets, and track their favorite team's game schedule all season long.
- **[GOLF guidance]** (HTML, CSS, JS, Express.js, MongoDB, REST, GraphQL) - interactive UI in early development that currently acts as a golf course API with simple tips for registered users as well as a small merchandise store. Later versions will allow a user to log scorecards to the database via a PWA.

Massage Luxe | Lead Therapist

December 2016 - March 2020

Therapist liaison between therapists/estheticians and management. Worked at the corporate location in Missouri, assisted the opening of a new franchise in Pennsylvania as well as transferring to the Orlando location before leaving due to the COVID-19 pandemic which forced me to change careers.

Ground Up Golf | Director of Fitness and Golf Instruction

May 2013 - December 2016

Started a successful functional fitness and golf instructional business that helped financially put me through college while improving my clients games, physique and health.

EDUCATION

UPENN: Trilogy | Philadelphia, PA

May 2021 - November 2021

Certificate: Penn LPS Coding Bootcamp

Temple University | Philadelphia, PA

January 2012 - May 2017

Bachelors in Exercise Physiology (Kinesiology tract)

VOLUNTEER WORK

Created a Facebook group named *'Encontrar Mi Familia'* in 2009 networking Paraguayan adoptees. After successfully locating my own biological family I connected the group with my lawyer Daniel Varela and helped to reconnect over 10 adoptees with their biological families via the group.

AWARDS

J Wood Platt Caddie Scholarship via Philadelphia Cricket Club

J Wood Platt Caddie of the Year 2013
